FJA Feilmeier & Junker AG Switzerland appoints Richard Engström as new Managing Director

INTERNATIONAL
CORPORATE FINANCE

Munich, 7 April 2008 - FJA Feilmeier & Junker AG, a company of the FJH Group based in Zurich, has appointed Richard Engström (45) to the position of Managing Director from 1 April.

Swedish-born Richard Engström studied IT at the Institute of Technology in Stockholm and economics at the University of St. Gallen. He has lived and worked in Switzerland since 1988. Engström has many years of management experience in the software and consultancy industry and is a true expert in the Swiss insurance market. He comes to us from eBao Technology Europe AG where he was Executive Vice President.

As well as being a driving force in developing international business for the FJH Group, Engström will use the wide-ranging and effective products of the FJH Group and the numerous services it offers to help Swiss insurance companies take on the challenges they face.

About FJH:

FJH AG is a leading supplier of software and consulting for the insurance industry and other financial services. Under its brand name FJA the FJH Group offers a broad range of software solutions to support insurance companies and pension providers in all key areas and issues. Products include policy administration systems, process and document management software and point-of-service solutions through to systems for asset liability management and corporate management.

FJH has longstanding business relations with around half of all life insurers in Germany for whom it has successfully implemented numerous major projects over the last 28 years; its clients also include renowned health and non-life insurers. Globally, FJH's software is used for 26 countries on five continents, including the USA and Australia and a number of Eastern European countries.

Currently, the FJH Group employs around 450 people at its head office in Munich, its German offices in Hamburg, Cologne and Stuttgart and its subsidiaries in Switzerland, Austria, the USA and Slovenia.

The Company was founded in 1980 and has been listed on the Frankfurt Stock Exchange since February 2000.

FJH AG was included in the Prime Standard index in January 2003.
